

Outside of School Hours Care Emergency and Evacuation Policy

Aim:	Waubra Primary School Outside of School Hours Care (OSHC) is committed to the ongoing safety of all stakeholders at a Children's Service, including planning for and being prepared for emergency situations.
Date of Operation:	24/04/2026
Review Dates:	24/04/2027

POLICY

The Emergency and Evacuation Policy ensures the safety of all persons at Waubra Primary School OSHC in the case of an emergency. Waubra Primary School OSHC is required to comply with obligations under the Education and Care Services National Law Act 2010 (National Law) and the Education and Care Services National Regulations 2011 (National Regulations), as well as National Quality Standard 2: Health and Safety and Occupational Health and Safety Act 2004.

The following objectives will be achieved through implementation of the Waubra Primary School OSHC Emergency Management Policy:

- Where possible, prevent emergencies, or minimise their impact
- Development, review, and maintenance of the service's Emergency Management Plan (EMP)
- Ensure that all staff are appropriately prepared to respond to emergencies and are aware of their obligations

The Nominated Supervisor is responsible for:

The Nominated Supervisor will ensure that the Waubra Primary School OSHC staff meet their obligations under the National Quality Standard, National Law and National Regulations at all times with regards to Emergency Preparedness.

This includes:

- The development, review, and implementation of the Waubra Primary School OSHC Emergency Management Plan (EMP). The development and review should consider the school's own EMP but the OSHC EMP is required to be a separate plan used by the OSHC. The EMP is to be submitted to QARD via NQA ITS by 1 September annually
- Ensuring that in situations that the OSHC site is located at a site listed on the Bushfire At-Risk Register (BARR), or in an area identified to be at risk from grassfires, all requirements as outlined by the Department's Security and Emergency Management Division are met in the development of an Emergency Management Plan, and that any conditions imposed on the service approval by Quality Assessment and Regulation Division (QARD) are met
- Developing documentation that includes instructions regarding what must be done in the event of an emergency and evacuation, reflecting the unique environment of their service community
- Ensure risk assessments are conducted to identify potential emergencies that are relevant to the service in accordance with Regulation 97 in the National Regulations
- Ensuring that the Waubra Primary School OSHC Emergency Plan documents procedures including:
 - Lock down procedure (for example, in case of intruder)
 - Emergency Evacuation procedure
 - Incident and Investigation Protocol
 - Missing Child procedure
 - Fire or Bushfire
 - Flood
 - Anaphylactic Shock

Outside of School Hours Care Emergency and Evacuation Policy

- Any other emergency as identified by the service's risk assessment
- Ensuring that the OSHC service has access to an operating telephone or other similar means of communication at all times when educating or caring for children, to enable immediate communication to and from parents and emergency services in accordance with Regulation 98 in the National Regulations.
- Ensuring that the service has an emergency evacuation plan that is understood, readily available and all Responsible People in Charge, Educators and Volunteers are familiar with enacting the plan should the need arise.
- Ensuring that Waubra Primary School OSHC meets requirements required under the applicable State or National Law. This includes:
 - The Waubra Primary School OSHC Emergency Management Plan will be practised, recorded and evaluated at a minimum of every three months (as per the National Regulations, Regulation 168), inclusive of the Nominated Supervisor and staff members, volunteers and children being educated and cared for by the service
 - The emergency evacuation exercise is documented and evaluated each time an evacuation takes place using the Evacuation Exercise Observers Checklist
 - Copies of the emergency and evacuation floor plan and instructions are displayed prominently near each entry/exit of the premises
 - In the case where the emergency evacuation area is outside the service's approved premises, written permission from the parents is required prior to conducting the mock evacuation and appropriate communication regarding the service practicing an emergency evacuation is provided to parents and guardians spontaneously or responds to a wide range of treatments.
